

# The Cancer Research Day April 5<sup>th</sup> 2019

## Program

- 8.00 – 8.30**      **Registration**  
Chair: Marie Lundholm
- 8.30 – 8.40**      *Introduction – Anna-Lena Sunesson, RCC North*
- 8.40 – 9.00**      *Precision medicine in practice – modern treatment of lung cancer*  
**Mikael Johansson**, Department of Radiation Sciences, Oncology, Umeå University
- 9.00 – 9.40**      *Next generation molecular pathology for cancer diagnostics*  
**Johan Botling**, Department of Immunology Genetics and Pathology, Uppsala University
- 9.40 – 10.20**    **Poster session 1 & coffee**  
Chair: Marene Landström
- 10.20 – 10.50**   *Molecular pathology for solid tumours and haematological malignancies in Umeå*  
**Björn-Anders Jonsson** and **Martin Isaksson-Mettävainio**, Clinical Genetics, Laboratoriemedicin, the University Hospital, Umeå
- 10.50 – 11.30**   *Translating CLL genomics into clinical utility*  
**Richard Rosenqvist Brandell**, Department of Molecular Medicine and Surgery, Karolinska Institutet
- 11.30 – 12.30**   Lunch at Universum  
Chair: Lars Beckman
- 12.30 – 13.10**   *A new diagnostic pipeline of prostate cancer*  
**Henrik Grönberg**, Department of Medical Epidemiology and Biostatistics, Karolinska Institutet
- 13.10 – 13.40**   *Therapy stratification in metastatic prostate cancer based on expression profiles*  
**Elin Thysell**, Department of Medical Biosciences, Pathology, Umeå University
- 13.40 – 14.30**   **Poster session 2 & coffee**
- 14.30 – 15.10**   *Activating Anaplastic Lymphoma Kinase – lessons from model organisms*  
**Ruth Palmer**, Institute of Biomedicine, Sahlgrenska Academy, University of Gothenburg
- 15.10 – 15.30**   **Conclusion with poster prize**

## Poster session

The poster session has a central role in fueling scientific discussions, enabling knowledge transfer and collaborations. The best poster presented at the meeting will be awarded a RCC-sponsored travel grant worth **10 000 SEK**.
